YOUR FUTURE, YOUR CHOICE!

Cape May County Technical Schools helps students get a jumpstart on their futures. All students begin with an exploratory year to sample all of our career programs and get a better idea of what they may want to pursue over their next three years of high school and well beyond. Cape Tech is for any student with ambition to succeed in college, a career, or both!

ABOUT US

Cape May County Technical High School is a career focused public school of choice for high school students throughout Cape May County. A full-time high school since 1993, Cape Tech moved from a shared-time vocational school to a full-time high school with a technical focus and now serves 650 students grades 9-12.

- **SHARON DENAFO**, SUPER. OF CHILD STUDY
- **MEGAN THOMPSON**, SUPER. OF HUMANITIES
- **SUSAN JURUSZ**, SUPER. OF POSTSECONDARY / ADULT & CONTINUING EDU.
- **DAVID SMITH**, DIR. OF ATHLETICS

OUR MISSION

The mission of the Cape May County Technical School District is to produce civic-minded graduates who possess the knowledge, dispositions, and social/emotional skills to be active participants in the global workplace. Students will develop the skills necessary to pursue careers and higher education, enhance their personal growth, and become lifelong learners through the combination of academic, technological, and co-curricular experiences.

CURRICULUM

The academic program is organized on a traditional nine-period day with technical courses taught for two periods each day. Students attend 180 days from September through June. Courses are offered at three differentiated levels: College Preparatory, Honors/Dual Credit, and Advanced Placement (AP). All students participate in work based learning activities throughout their high school career, which often leads to paid internships and employment post graduation.
